

## Website Redesign

### 1. Amazon Page Before.

To explain the redesign of this Amazon page,

### 2. Amazon Page After.

## **Design and Layout:**

- The Second image has a darker theme with a black header, while the First image uses a lighter theme with a white header.
- The second image has a single woman carrying shopping bags in a city setting, whereas the first image features three women in fashionable attire standing together. Colors, Text formatting, icons, images also change second image. I redesign of this Amazon page,
